To Whom It May Concern:

Impact Makers supported Safe Harbor through cash donations, service on the Board of Directors, and hundreds of hours of pro bono consulting during fiscal year 2007-2008 (July 1, 2007 through June 30, 2008). Our records indicate cash donations of \$31,500 were received by Safe Harbor.

This funding allowed Safe Harbor to begin providing support groups in Spanish for Hispanic/Latina survivors of intimate partner violence. This has been a core service of our agency since 2007.

Safe Harbor appreciates the support of Impact Makers and the impact this support has provided.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Demro".
